General Comment

Who's right is it to tell me when and where I can invest my money? Do you the members of congress or any member on capital hill plan to allow yourselves to be told where to invest your money? I think not as you would all exempt yourselves as you all did on the Obama plan. You idiots running this country all need to be replaced. You don't have any concerns for the citizens of this country but rather give more rights to the illegals that are here. I fore fathers are rolling over in their graves at the idiocracy that is running the government. I will spend my money and invest it any Damn way I choose.
